

Sakakawea Medical Center Foundation

"We make a living by what we get, but we make a life by what we give." -Winston Churchill

December 1, 2020

Dear Friends,

The Sakakawea Medical Center (SMC) Foundation's annual fund drive for 2020-2021 begins! What a year 2020 has been! It has been a challenging year for medical facilities, a frustrating year for many businesses struggling to stay open and a year of innovative thinking for teachers and parents. Everyone has had unique challenges this year and concerns for wellness have been at the forefront of it all.

SMC is blessed with a wonderful staff and supportive community. Everyone has assisted with meeting the challenges encountered this past year "head on." This fund drive provides an opportunity for you as an individual to play an essential role in securing the finances needed for the foundation to continue meeting our current and future health care needs.

The goal of SMC is to continue to stay up to date with technology and industry standards while providing quality care and keeping everyone healthy and as safe as possible! Your contributions play a valuable role in helping SMC to achieve this goal.

Throughout the years, your tax-deductible donations have helped to purchase necessary technology updates and equipment along with education and community health programs; for example, this year donated money has assisted with the expense of the new electronic health information system (Epic) for Hospice along with continuing support of the mammography screening program.

For all these changes and advancements in health care we need your support. We are writing this letter to you because the quality of health care in Mercer county and surrounding areas is important to all of us. Please consider completing the enclosed donation sheet and invest in you and your family's well-being, in addition to your friends' and neighbors' health care needs, by supporting the SMC Foundation's Annual Fund Drive. Every donation is important and appreciated.

Thank you for your support!

Sincerely,

--The Sakakawea Medical Center Foundation Board of Directors --
